*Engineers PEI Executive Director, Jim Landrigan*

*Engineers PEI is a leadership organization that gives back. Their combined annual gifts and endowed fund support nine engineering students and the School of Sustainable Design Engineering each year.*

*Dan and Dave McInnis (Peake & McInnis Ltd.) and their family have provided prizes and scholarships to UPEI business and nursing students for three decades.*

*Michael and Chastity Smith are generous supporters to UPEI. Their annual gift funds a scholarship for students in the Foods and Nutrition program in the Faculty of Science.*

*Barb Campbell funds an award each year that reflects the values of volunteerism, international experiences, and global citizenry. Her support is vital to UPEI's study-abroad initiative.*
